

Juvare Elevate 2027 – Schedule of Events

New Orleans, LA – Sheraton New Orleans Hotel – May 10–14, 2027

Juvare is excited to welcome you to New Orleans, LA, for our 2027 users conference. Join us from May 10–May 14 to learn about the latest industry trends and Juvare platform updates, hear keynotes from esteemed industry experts, share best practices with your peers, and collaborate and celebrate in person with the Juvare community.

The schedule is subject to change over the coming months; please check elevate.juvare.com for the latest information.

All times below are in Central Time.

Monday, 5/10

Registration & Welcome Reception: Get settled into the Big Easy as you check in for the event, settle into your room, and join the gathering Juvare community for an evening of fun, food, and drinks.

Tuesday, 5/11

The Juvare Expo will be open all day. Drop in any time to meet members of the Juvare team, partners, and sponsors and to learn more about Juvare product and partner capabilities.

9:00–9:45am	Welcome Keynote
10:00–10:45am	Sector Roundtables
11:00–11:45am	Breakout Sessions, Covering Client-led Use Cases, Juvare-Led Product News & Demos, and Industry Trends
12:00–1:00pm	Lunch
1:00–1:45pm	Afternoon Kickoff
2:00–5:45pm	Breakout Sessions, Covering Client-led Use Cases, Juvare-Led Product News & Demos, and Industry Trends

Wednesday, 5/12

The Juvare Expo will be open all day. Drop in any time to meet members of the Juvare team, partners, and sponsors and to learn more about Juvare product and partner capabilities.

9:00–9:45am	Day 2 Keynote
10:00–11:45am	Breakout Sessions, Covering Client-led Use Cases, Juvare-Led Product News & Demos, and Industry Trends
12:00–1:00pm	Lunch
1:00–1:45pm	Afternoon Kickoff
2:00–5:45pm	Breakout Sessions, Covering Client-led Use Cases, Juvare-Led Product News & Demos, and Industry Trends
6:00pm+	Second Line to Dinner Location & Cocktails Dinner Juvare Awards

Also on 5/11 & 5/12: Juvare's Product & Professional Services teams will be available for 1:1 meetings. We'll provide information as the event gets closer on how to schedule.

Thursday, 5/13 & Friday, 5/14

Product training led by Juvare's Training Team: While our course schedule will be finalized over the next few months, our team will provide hands-on training for Juvare users across WebEOC, UCP, and HealthSuite, as well as additional trainings on newer capabilities (e.g., JAI, Juvare Exchange, and more).

Juvare Innovation Lab

Come meet our UX Design team at the Juvare Innovation Lab, running all day on 5/11 and 5/12. The Innovation Lab will give you a chance to get hands-on with some of our latest prototypes, provide feedback on Product team projects currently in development, and help shape the future of the Juvare platform.

Sessions Sneak Peek

Here are just some of the topics we'll be talking about in our sessions!

- JAI agents, AI-driven board building, and the latest AI enhancements
- The Nexus mobile app
- Exercise Management with our SimLab feature
- AI-powered damage assessments in Crisis Track
- EMResource and BedSync data healthcare data automation
- CORES RMS and how agencies used it during 2026 natural disasters
- Threat intelligence and our new Factal partnership
- eICS and hazard vulnerability analysis
- New solutions in operational resilience for SLED, healthcare, federal, and private

Our registration page is now live at elevate.juvare.com!

Be sure to register soon to avoid any late registration fees and to lock in our preferred room rate for the Sheraton. We're looking forward to seeing you in New Orleans.
